## Why should I join the Girls Inc. Eureka! Program?

By joining Eureka! you will:

- Increase your math and science skills
- Gain knowledge about scholarships and prepare for college
- Develop the “Eureka! I can do it!” attitude
- Try your hand at team sports, self-defense and weekly swimming during the summer
- Go on field trips during the summer and school year
- Earn a stipend for completing your internship
- Get at taste of college life and tour college campuses
- Participate in Bay Area conferences and workshops

Eureka! is an intensive 5-year program: five summers, and 4-5 school years through senior year for girls beginning the summer before eighth or ninth grade. (\*If girls join as rising 9th graders, they do not participate in a 5th year). It runs for four weeks in July and once a month during the school year. (\*4th and 5th year summer program may not take place in July). During the first two summers, girls spend four weeks participating in hands-on activities in math, science, technology, sports, and personal and professional development. For their third summer, girls participate in a four week paid internship in various career fields hosted by successful women participants. During the 4th and 5th summers, girls continue to be engaged in STEM field career exploration and college preparation, these programs could include: additional internships, enrollment in college courses, college campus tours or college residential programs. *Eureka! is for girls who want greater exposure to STEM activities and an opportunity to engage with other girls who share this interest.* This is a program not to be missed!

Girls who participate in Girls Inc. programs for at least two consecutive years and stay current participants are eligible to apply for college scholarships during their junior and senior year.

Girls from our program have been awarded up to \$15,000 to go to college!

For more information or to request an application, please contact the Teen Director at 510-521-1743 x208 or at [dswint@girlsincislandcity.org](mailto:dswint@girlsincislandcity.org)
