

Celebrate Excellence with Women Who Dare

Join Girls Inc. of the Island City for the sixth annual Celebration of Excellence luncheon May 14. This year's theme is "Women Who Dare." Four Bay Area women and girls will be honored at this event for having done something extraordinary. Noel Cisneros, East Bay Bureau Chief for KRON Channel 4 News, right, will serve as mistress of ceremonies, and the keynote speaker will be Gilda Gonzales, CEO for Oakland's Unity Council.

The event is designed so that the girls in the program are able to use skills learned from the Girls Inc. "Best Foot Forward" program. It is also an opportunity to show the public what Girls Inc. has been up to lately. The luncheon is 11 a.m.-1:30 p.m. and will be held at the Hilton Oakland Airport. For additional information visit
