Girls Inc. thanks supporters

On behalf of the Girls Inc. staff, board of directors and the girls we serve, I am writing to thank the Alameda Community Foundation very much for donating \$2,500 to Girls Inc. of the Island City to help us pay for our new copy machine.

The Foundation's continued and generous support of our organization over the years is a wonderful example of the way our local Alameda community works together to support our local organizations.

Our mission at Girls Inc. is to inspire all girls to be strong, smart, and bold. We give girls and teens a safe place where they are challenged to ask questions about themselves and the world in which they live and can take healthy risks and gain a sense of their own power and strength.

Our success depends upon the generosity of organizations like the Alameda Community Foundation. We thank them for their support.
